

Troy Bingham

0437 237 037

Gold Coast United FC Chief Executive Officer Troy Bingham is no stranger to senior administration or the round ball game boasting impressive credentials on and off the playing field.

Troy has extensive experience in international business development and management consulting having worked across numerous industries including tourism, modular housing, distribution channels, sporting organisations, customer loyalty, payment and incentive programmes.

As a former elite footballer, Troy provides the re-formed Gold Coast FC with a wealth of experience having not only played at the highest level in the United States, South Africa and North America.

Residing on the Gold Coast for over ten years, Troy is excited by the challenges ahead and determined to build a club which truly represents and exists to benefit and assist aspiring male and female footballers across the region.
